# Introduction

## Welcome to your introduction to Client Online

Client Online is the web based application which enables you to view and manage your facility with Bibby Financial Services.

### Client Online enables you to:

- View your facility details including available funds  
**Please note** - currently in Client Online you are unable in "group view" to change the currency from the default currency for your facility into currency you would like to draw down.
- Submit invoices and credit notes
- View details of payments received from your debtors
- Request a payment of funds to your nominated account  
**Please note** -
  - You can only request funds from each line if there is availability on that line.
  - If you would like your availability drawn down in either a different currency from the line it is available on or require grouped availability over all lines in one currency, **please speak to your daily contact**
- View a range of information about your debtors
- Produce a range of reports about your facility

**In this User Guide, we take you through how to use Client Online to carry out your facility management tasks and activities.**

In this User Guide, we take you through how to use Client Online to carry out your facility management tasks and activities.

# Logging In

Client Online is a Web based application, and you will be provided with a link to [bibbyclient.com](http://bibbyclient.com). to access it.

You will receive your Client Online login details, which will consist of your User name and Password. These will be sent to you separately and should be kept secure.

- 1 When you click on the URL, the Client Online login page is displayed.

- 2 Enter your User Name as it is detailed in your correspondence.
- 3 Enter your password as it is detailed in your correspondence.  
**Please note that your password is case sensitive.**
- 4 Click on **SUBMIT**.

## Note

- Use the **CLEAR** button to clear all text entered so far in the Username and Password fields.
- Use the **CONTACT** button to send an email for queries about logging on to Client Online.

## First time login – changing your password

The first time you log in to Client Online, you will be required to change the password allocated to you.

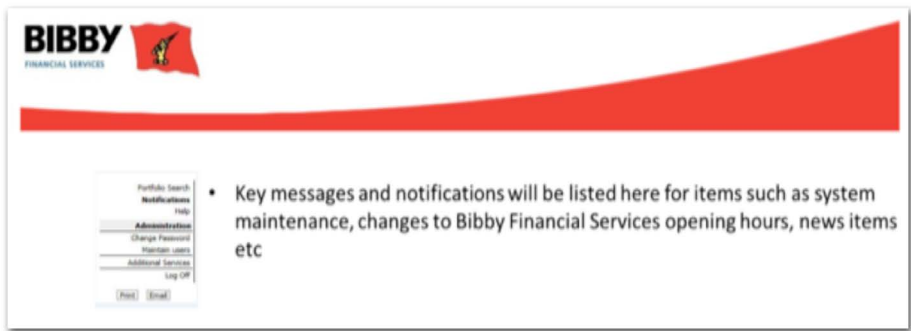

You must re-enter the allocated password before entering your new password, clicking on OK to continue.

Full details of password requirements can be found in the **ADMINISTRATION** section of this guide.

# Welcome Screen

When you have successfully logged in, your Welcome page is displayed.

This initial welcome page displays notifications in the main part of the screen, and a menu on the left.

If you have a single Agreement with Bibby Financial Services, you will be able to navigate using the menu on the left side of the screen.

- 1 If you have more than one Agreement, the next step is to select the required agreement, and to do this you will use the **PORTFOLIO SEARCH** option.
- 2 When you click on **PORTFOLIO SEARCH**, the individual accounts that make up your agreement with Bibby Financial Services will be listed in the main part of the screen.

Where you have multiple accounts, or lines, that make up your agreement, then all lines will be listed here for your selection.

- 3 You click on the required line once to display your account details.

**Please note** - your final line will always be your grouped availability which will be shown in the base currency of your agreement which is likely to be GBP. If you only have one Agreement with Bibby Financial Services, you can navigate using the menu on the left side of the screen.

# Navigation

All screens within Client Online follow a standard layout;

The menu will always be displayed on the left.

The screen name is displayed in bold at the top of the screen .

Boxes are used for fields where you can enter text such as when searching.

The screenshot shows the 'Ledger Item Search' interface. On the left is a vertical menu with sections: Agreement, Summary, Reporting, Data Exchange, Messages, and Administration. The main area is titled 'Ledger Item Search' and contains a 'Search' section with various input fields: Debtor Name, Debtor Number, Client's Debtor Reference, Document Reference, Item Reference, Debtor Currency (with a dropdown menu), Value Range (From/To), Invoice Date Range, Due Date Range, and Closed Date Range. Each date range has a 'From' and 'To' field with a calendar icon. At the bottom are 'Search' and 'Clear' buttons. Red arrows point from the explanatory text boxes to specific elements: the menu, the screen title, the Debtor Name field, the Debtor Currency dropdown, the 'Open Items' radio button, and the calendar icons.

Radio buttons are used when you can make a selection and only one item can be selected. Clicking on the circle adds a black dot to show your selection.

A box with an arrow button provides you with a drop down menu to select from.

A Calendar icon is displayed for date fields. You can use the icon to select the date required from a calendar pop up.

# Navigation continued

**Mandatory Fields** – are highlighted with a blue arrow. Any fields showing this blue arrow must be completed in order to progress.

## Using a Wildcard when searching

Client Online provides you with the ability to use a wildcard when searching for items.

*The \* can be used to replace characters when entering search parameters*

For example

- 912\* – would find all items starting with 912.
- AB\* – would find all items starting with AB, such ABC.
- \*912 – would find all items ending with 912.

# Viewing Your Account

## Invoice Finance Agreement Summary

When you select your account from the Portfolio Search, the welcome screen updates to display your Invoice Finance Agreement Summary.

The Client Online page displays some key elements for you.

- The Menu expands to include the full range of functionality available to you, organised in sections.
- The AGREEMENT SECTION groups together all menu options which relate to viewing details about your overall account, including movements such as client or debtor transactions.
- Your Agreement ID is displayed at the top of the screen.
- The Summary displays a list of the main balances for your selected Agreement.

The screenshot displays the Bibby Financial Services Client Online interface. At the top, the Bibby logo and a red flag icon are visible. The client information is shown as "Client: NR Fees Testing" and "0000319/001 GBP UK Non-Recourse Factoring". The user is logged in as "BibbyUKTest04".

The main navigation menu on the left includes sections for Agreement, Reporting, Data Exchange, Messages, and Administration. The "Agreement" section is currently expanded, showing options like Portfolio Search, Notifications, Help, Agreement Summary, Movements, Sales Ledger Profile, Request Payment, Top Debtors, Collection Enquiry, Ledger Item Search, and Debtor Search.

The "Invoice Finance Agreement Summary" page is displayed. It features a "Main Balances" section with a table of account details:

Availability displayed as at	17/04/14 15:13	Availability Breakdown
Sales Ledger	36,460.83 GBP	Disapproved Breakdown
Disapproved Debt	2,460.83 GBP	Movements This Month

Availability	26,878.13 GBP	
Approved Funding	27,200.00 GBP	
Available Funds	9,678.13 GBP	
High Involvement	0.00 GBP	

Below the table, there is a "Pay" section with a text input field for the amount (set to 9,678.13 GBP) and a "Payment Type" dropdown menu (set to BACS Payment). A "Submit" button is located to the right of the input field.

The "Pending Pre-Payments" section shows a balance of 0.00 GBP.

# The Agreement Summary

- Your Agreement Summary displays a list of the key balances for your account.
- The Agreement Summary effectively provides you with a snapshot of your account as at the time you display the summary screen.

This gives you the opportunity to identify if you have any older invoices.

You could then use the ledger item search to view items for the date range you specify.

# Request Payment

With Client Online, you have the ability to request a payment via your online account as well as through your daily contact.

Within Client Online, the process of requesting a payment is linked to your current AVAILABLE FUNDS. You can only request an amount up to your available funds balance. Validation ensures that you cannot request a payment amount that is greater than your available funds.

Client Online provides you with two ways to request a payment of funds:

- Using the **PAY FIELD** on the main screen at the bottom of the Agreement Summary section.
- Using the **PAYMENT REQUEST MENU OPTION**.

## Important:

Please note - This is only available for single line agreements or when requesting funds available from individual lines not grouped availability

## When submitting a Payment Request

Payment request and processing times are as follows:

- **Standard = requested by 1.00pm, to be processed at 1.30pm**
- GBP, EUR and USD can be requested on the above time slot
- **\*\* Please note - all other currencies must be requested by 11am**
- No same day charge on payments against availability generated from collections or invoices posted to system on the day according to timings above.
- **\*\* Please note Standard CHAPS charge will be applicable**
- Early or late payments will carry an additional charge
- Should you require an early payment or a late payment, please speak to your regular contact who will advise.

If you need additional funding outside of your available funds, we may be able to assist but this cannot be arranged through Client Online, please speak to your daily contact.

## Payment Destination – Your Bank Account

Your payment will be sent to the bank account details held by Bibby Financial Services. This will be the bank account that you have defined and verified with Bibby Financial Services (BFS).

Where you have one Bank account defined, this will be known as the Main account. If you have two or more Bank accounts defined, you will specify one as the main account and the others will be supplementary.

To add a bank account please call your daily contact.

## Using the Summary section to request a payment

This is the simplest way to request a payment, as it only requires an amount and payment type.

When you use this option, the payment is made into your default bank account.

## Using the Payment Request menu option

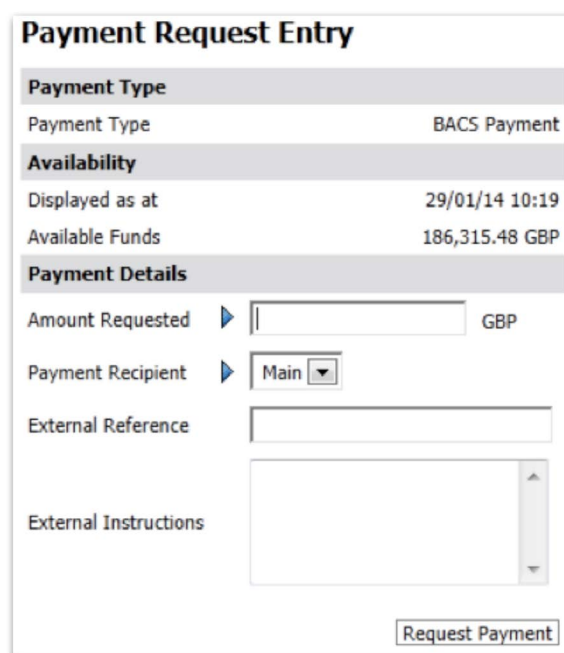

This method of requesting a payment enables you to have more control over the payment, with the ability to specify which previously approved bank account to make a payment to, and add additional references.

- 1 Click on the **REQUEST PAYMENT** menu option. The Payment Request screen is displayed.

The screenshot shows a window titled "Payment Request". Inside, there is a section "Select Payment Type" with a label "Payment Type" followed by a dropdown menu currently showing "BACS Payment". An "OK" button is located at the bottom right of the window.

- 2 **PAYMENT TYPE** – use the drop down menu to select the type of payment required, such as CHAPS payment, or BACS payment.
- 3 Click on OK to continue.
- 4 The Payment Request Entry screen is displayed.  
The Payment type selected is displayed at the top of the screen.  
Your current Available Funds is displayed. You can only request a payment amount within your available funds. Entering a payment amount larger than your available funds will result in an error.
- 5 When requesting a payment, please enter the amount you require within your availability. Charges and VAT will be added to this amount. For overpayments or information regarding charges, please speak with your daily contact.
- 6 **PAYMENT RECIPIENT** – select the bank account the payment is to be made to.  
Only approved and verified bank accounts will be listed.  
Use the list to select the account the payment is to be made to. The default is to your main account.
- 7 **EXTERNAL REFERENCE** – This field is for internal use only.

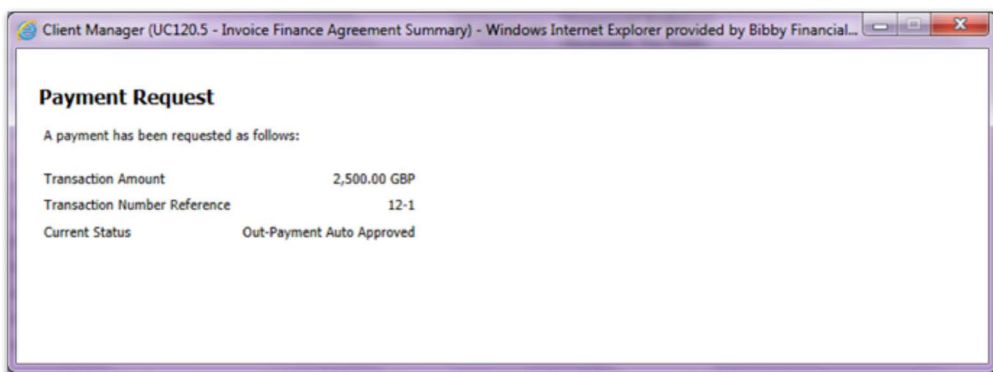

The screenshot shows a window titled "Payment Request Entry". It contains several sections: "Payment Type" with a dropdown set to "BACS Payment"; "Availability" showing "Displayed as at" as "29/01/14 10:19" and "Available Funds" as "186,315.48 GBP"; "Payment Details" with fields for "Amount Requested" (with a GBP symbol), "Payment Recipient" (a dropdown set to "Main"), "External Reference", and "External Instructions" (a text area). A "Request Payment" button is at the bottom right.

- 8 **EXTERNAL INSTRUCTIONS** – This field is for internal use only.
- 9 Click on **REQUEST PAYMENT**.
- 10 Confirmation of the payment request is displayed.

- 11 Click on **OK** to continue
- 12 Confirmation of the Payment request being submitted is displayed.  
This shows the current status of the payment request.

- 13 Close the pop up to return to the Agreement Summary.
- 14 If you wish to cancel a payment request please call your local office.

If you need additional funding outside of your available funds, we may be able to assist but this cannot be arranged through client online, please speak to your daily contact.

## What happens next?

- When the Payment Status shows as Auto Approved, the payment will be processed and in your bank account as per the timelines for your selected payment type.
- If the Payment Status shows as something other than Auto Approved, the payment will need to be reviewed by Bibby Financial Services before being approved and paid.
- Should you have any questions about payments, please speak to your daily contact.
- You can review the progress of your payment request using the **PAYMENT REQUEST STATUS** button on the Agreement Summary screen.

# Ledger Item Search

The Ledger Item Search menu option enables you to search for items on your account using a broad range of search criteria. This is a highly flexible enquiry, and you can use the available fields individually, or in combination to streamline your search, and the results displayed. The wildcard (\*) can be used when entering your search criteria.

The screenshot shows a web-based form titled "Ledger Item Search". It contains several input fields for search criteria: Debtor Name (a long text box), Debtor Number, Client's Debtor Reference, Document Reference, Item Reference, Debtor Currency (with a dropdown menu showing "GBP" and "Pound Sterling"), and a Value Range section with "From" and "To" text boxes. Below these are three radio buttons for "Open Items" (selected), "Closed Items", and "Both". At the bottom, there are three date range sections: "Invoice Date Range", "Due Date Range", and "Closed Date Range", each with "From" and "To" text boxes and calendar icons. The form concludes with "Search" and "Clear" buttons.

The available search fields are

- **DEBTOR NAME** – a text entry field – can use the \* wildcard.
- **DEBTOR NUMBER** – the unique Aquarius number allocated to the debtor.
- **CLIENTS DEBTOR REFERENCE** – your own reference number for your debtor.
- **DOCUMENT REFERENCE** – the item reference entered for this transaction.
- **ITEM REFERENCE** – the unique Aquarius transaction number.
- **DEBTOR CURRENCY** – use the list to select the currency you want to view.
- **VALUE RANGE** – enter the lowest amount and the highest amount to find transactions for amounts within the range you define.
- **OPEN/CLOSED ITEMS** – radio button to define whether to search for open items, closed items, or both.
- **INVOICE DATE RANGE** – specify a date range to find invoices for a specific period.
- **DUE DATE RANGE** – specify a date range to find invoices due for payment in a specific period.
- **CLOSED DATE RANGE** – specify a date range to find invoices that closed in a specific period.

- 1 Enter your search criteria, and click on **SEARCH**.

In this example, we are searching for Debtors where the name begins with 'cost'.

# Looking at your Debtors

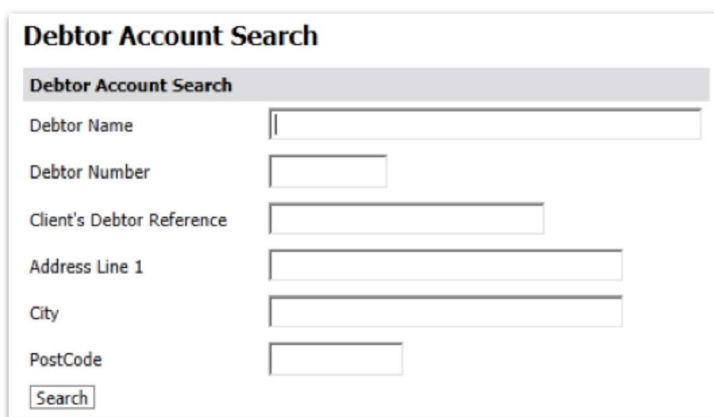

You use the Debtor Search menu option within the Agreement section of the menu to locate the Debtor you want to view.

Once you have found your Debtor, you can view a range of information specific to the debtor, such as Movements, turnover, or transactions.

## Debtor Search

One of your most common searches is to search for your debtor by name, but you can also search by debtor number, postcode, and debtor reference.

- 1 Click on the **DEBTOR SEARCH** menu option.

The screenshot shows a web form titled "Debtor Account Search". It has a header bar with the same title. Below the header, there are several input fields: "Debtor Name" (a long text box), "Debtor Number" (a short text box), "Client's Debtor Reference" (a medium text box), "Address Line 1" (a long text box), "City" (a medium text box), and "PostCode" (a short text box). At the bottom left of the form is a "Search" button.

- 2 Enter your search criteria, for example Debtor Name, and click on **SEARCH**.  
You cannot retrieve all debtors in this search by leaving all fields blank; you must enter at least one search parameter.
- 3 Any matches to your criteria will be listed.

The screenshot shows a table titled "Debtor Account Search". The table has two columns: "Debtor Ref." and "Name and address". There are five rows of data, each representing a debtor. The first row is highlighted in blue.

Debtor Ref.	Name and address
0000024/001 GBP-0000000009/001 GBP (XYZ789)	Debtor Five Derby Derby DE1 2 QD

- 4 Single click on the debtor required.

# Debtors – Summary

- 1 When you select the Debtor, a Debtor Account Summary screen is displayed to give you a detailed view of the Debtor you selected.

- The Debtor Summary gives you the key information about this particular customer of yours, including address and contact details.
- The Balances tab shows current values relating to the debtors Sales Ledger.
- The Limits tab shows information about the current Credit Limits and High Involvement %.
- The Payments tab shows information regarding recent payments received from this debtor and payment statistics about their account.
- You can return to this view at any time by clicking on **SUMMARY** in the Debtors section.

## The Debtors Menu

Once your Debtor details are displayed, the menu expands to include an additional Debtors section.

The **DEBTORS** menu options enable you to view a range of information about this specific Debtor.

## Debtors – Movements

The Movements option will show you details of all invoices issued and payments received for the debtor in the period you specify.

- 1 With your debtor still displayed, click on **MOVEMENTS** in the Debtors section of the menu.
- 2 The Debtor Account Movement Enquiry is displayed with the Last 30 days selected by default.

# Enter your invoices

You use the Data Exchange section of the menu to submit invoices to Bibby Financial Services for processing and inclusion in your account.

There are two ways of entering your invoices and credit notes for processing and funding. These are:

- **MANUAL ENTRY**  
Using this method, you enter the details of each invoice or credit note batch separately into the Schedule Entry Screen.
- **AUTOMATED ENTRY**  
Using this method, you upload your invoice and credit note schedule from an external source, such as an accounting package extract or spreadsheet via a csv file.

## Important:

Please note you are able to upload different currency invoices for mixed currency clients, as long as they are all on the same client (rather than part of the same group)

## Manual Entry

There is a process to follow when submitting your invoices and credit notes to Bibby Financial Services.

It is a relatively simple process to follow, with only one key thing to remember; you must create your Debtors first before attempting to enter an invoice for them. This is because you need to be able to pick the Debtor from a list when you are entering the invoices. New debtors will be reviewed and approved by Bibby Financial Services in preparation for you to load invoices to the debtors account.

*We will look at each step in turn.*

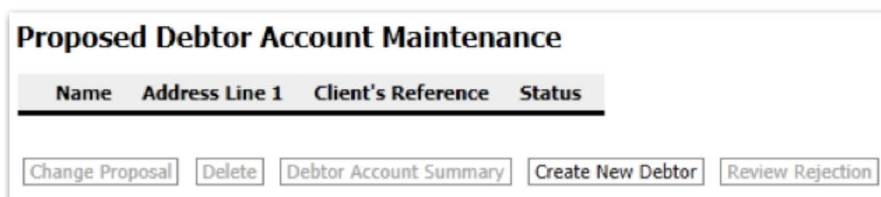

# Add your Debtors

Whichever method you choose to use to submit your invoices, you will need to add the details of your Debtor (or Customer) first.

Once you have added the Debtor details, you will be able to submit invoices for that Debtor.

- 1 Click on the **DEBTOR MAINT** menu option in the Data Exchange section.
- 2 The Proposed Debtor Account Maintenance screen is displayed.

The screenshot shows the 'Proposed Debtor Account Maintenance' screen. It features a table with four columns: Name, Address Line 1, Client's Reference, and Status. Below the table is a row of buttons: Change Proposal, Delete, Debtor Account Summary, Create New Debtor, and Review Rejection.

- 3 Click on the **CREATE NEW DEBTOR** button.
- 4 The Debtor Details screen is displayed.

The screenshot shows the 'Debtor Details' screen. It contains various input fields for debtor information, including Country (United Kingdom), Language (English (United Kingdom)), Name, Address Line 1, City, Post Code, Number (Telephone 1), Email Address, Company Registration Number, VAT Number, DUNS Number, Registered Charity Number, Credit reference agency recommended limit, Credit reference agency search date, Credit reference agency name, Insurance reference number, Debtor Currency (GBP, Pound Sterling), Your Reference For Debtor, and Debtor's Supplier Reference For You. There are also checkboxes for 'Use as Legal' and buttons for 'Display Proposals' and 'Create'.

- 5 Enter the details for this Debtor, completing as many fields as possible.  
All fields with a blue arrow/triangle are mandatory fields, and must be completed in order to complete the creation of the Debtor record.
- 6 Click on **CREATE**.
- 7 Your Debtor record will be saved. You return to the Proposed Debtor Account Maintenance screen.
- 8 Your newly created Debtor is listed and shows with a Status of Pending.

- 9 You repeat the steps above, creating a new record for each new Debtor you have, until all are listed in the Proposed Debtor Account Maintenance screen.
- 10 The Debtors will then need to be reviewed by Bibby Financial Services.
- 11 Once a Debtor is approved, it will be available for selection, and will be removed from the proposed list. You will be able to view the status (Now Created / Active).
- 12 If the debtor is rejected, this can be reviewed by highlighting the debtor and clicking "Review Rejection". A reason will be given.

# Manage your Proposals

The Debtors you have added that are waiting for review and approval can be displayed using the **DEBTOR MAINT** screen. From here, you can manage your proposed debtors, making updates if needed, or removing any no longer needed.

- 1 If not already open, select **DEBTOR MAINT** from the menu.
- 2 Click on the radio button for the debtor to manage their status.

# Enter your invoices

You will use the **SCHEDULE ENTRY** menu option to manually enter your invoices and credit notes and these should be entered separately. Each batch will be able to hold a maximum of 300 items. Once you enter and submit your batch, it is processed and added to your Agreement account.

- 1 Click on the **SCHEDULE ENTRY** menu option in the Data Exchange section.
- 2 The Schedule Header Entry screen is displayed, you start by entering the Batch Header Details.
- 3 Select the **BATCH TYPE** – Invoices or Credit Notes.  
Invoices and Credit Notes must be entered separately for processing and you use the Batch Type drop down to select the appropriate type for this batch.
- 4 **BATCH CURRENCY** – select the currency to be used for this batch using the drop down list.  
The default currency is GBP. The drop down list will show the other currencies available to you.
- 5 **SCHEDULE REFERENCE** – enter your reference name for this schedule, or batch. This is defined by you, and can be a combination of numbers and text, to meet your requirements.
- 6 Click on **ENTER ITEMS** – the Schedule Item Entry screen is displayed.

Pursuant to the terms of the Invoice Finance Agreement (may be known as Factoring Agreement or Invoice Discounting Agreement) between You and Us (including the conditions currently in effect) We, ABC Limited, Hereby assign to You the Debts evidenced by the invoices detailed in this Debt Schedule (may be known as Invoice Schedule) or in any attachments to it. We confirm that We have complied with all Our Promises in the Invoice Finance Agreement between us for You to buy Our Debts. The Transaction (if any) under which each Debt arises and Our obligations relating to such Debt have been fully carried out. Where applicable, we also Notify you of the Credit notes detailed in the Credit Note Schedule. Unless agreed by exception, a copy of each invoice, credit note and such other documents as are required by You under the terms of the Invoice Finance Agreement are attached. If our Invoice Finance Agreement makes specific reference to Scottish Debts, We intimate to You that all Debts included in this Debt Schedule which are Scottish Debts now form part of the property of the trust constituted in the Invoice Finance Agreement Particulars or Conditions in accordance with the terms of that trust.

**Assignment Schedule Confirmation**

An Assignment Schedule has been created on the system as follows:

Batch Number      0000131  
Batch Type          Invoice  
Batch Amount      4,234.95 GBP

[Enter New Schedule](#)

This confirms that your batch has been submitted.

If at any point while manually entering your schedules you come away from the relevant screen for any reason, Client Online will remember what details you have already entered, allowing you to continue on from where you left off.

## What happens next?

Once the batch is submitted and is received by Bibby Financial Services it will go through the approval process.

Please note the cut off time for schedule uploads is 10.00am to enable the approval process to be undertaken for same day funding.

Should you have any queries you can contact your daily contact.

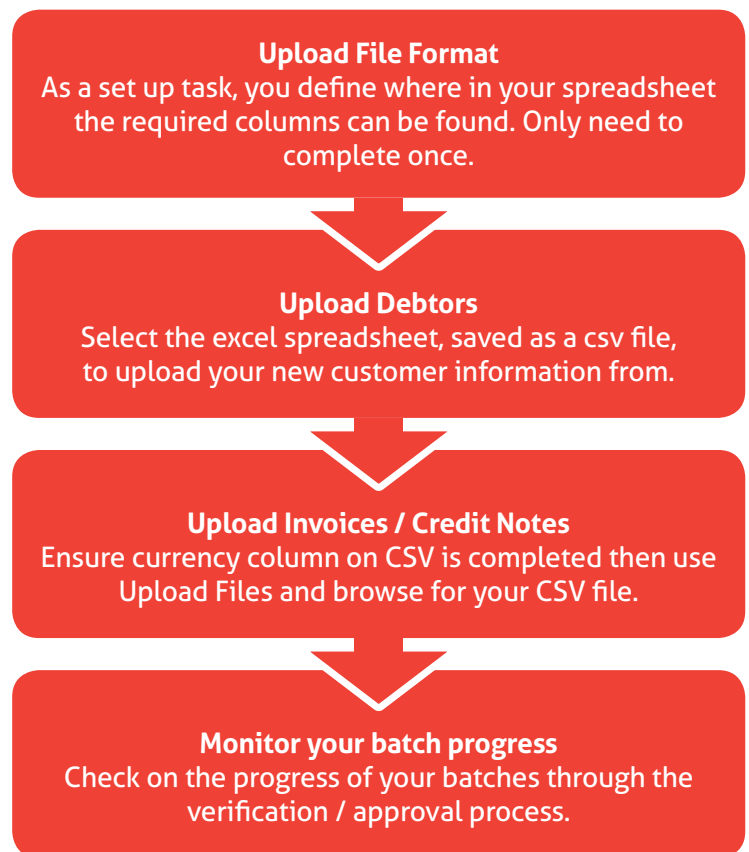

## Automated Entry

The automated process of submitting your debtors, invoices and credit notes to Bibby Financial Services enables you to use csv files from your Accounting Package or spreadsheets such as Excel.

It is a simple process to follow, with only one key thing to remember; **you must create your Debtors first before attempting to enter an item for them.** This is because you need to be able to specify the debtor by entering the CUSTOMER ID within the CSV file.

New debtors will be reviewed and approved by Bibby Financial Services in preparation for you to load invoices to the debtors account.

*We will look at each step in turn.*

## Upload file format

You can use your current data file extracts or spreadsheet saved as a csv file to record your invoices/credit notes

The Upload File Format option is used to tell Client Online which columns in your file contain the key information that is needed to upload the invoices./ credit notes.

### Important:

Please note the following steps should be taken when undertaking your **first** upload only:

- Configure the "Upload File Format"
- Upload the file via "Upload Files"
- Check "Assignment Confirmation"; there will be three options:
  1. Assignment Confirmation is empty – Check Messages for details of any batch errors.
  2. Assignment Confirmation: "Batch Contains Errors" – Check Messages for details of any batch errors.
  3. Assignment Confirmation: "Batch Waiting to be Posted" – the schedule is correct and will be posted at the next cut off time as normal

A Sage export will look similar to the example below.

You will use the Upload File format to tell Client Online how many columns your file has, and which column the required information is in e.g. the Customer ID.

If Row 1 (shown below) contains headings it should be removed from the csv prior to upload.

	A	B	C	D	E	F	G	H	I

## Upload file format

Select **Upload File Format** from the menu.

Select the interface you want to define;  
Debtors or Schedules.

In this example, we will define the format of  
our schedule file.

Click on **OK**.

The screen updates to show the column count.

**Column Count** - Enter the number of columns you  
have in your data file/Excel spreadsheet.

Client Online requires a minimum of 4 of fields  
to be completed for schedule upload.

You enter the total number of columns you  
have in your file.

Click on **OK** to continue.

The number of columns you have defined will be  
converted to fields and the screen will update to  
display one field for each column.

Use the drop down list to define which column the  
Client Online required information can be found.

The required fields are:

(Please note the fields do not need to be completed  
in this order. The fields need to match the order of the  
titles in your CSV file)

- Customer ID
- Currency Code

**Please note – Each invoice/  
credit note line within the  
CSV file must contain a

- Document Type – there are two options when defining your document type:
- If your invoices are shown as a positive figure in the spreadsheet and credit notes as a negative figure then you do not need to specify Document Type. If you do have a column in your CSV specifying whether the document is either a credit note or invoice, you need to instruct Client Online not to use this information by selecting "Not used" from the drop down list.

- However, if you don't show credit notes as a negative figure in the spreadsheet you will need to input the document type as this will advise the system if you are uploading a credit note or an invoice. Please select Document Type from the drop down menu.

You will then need to use the Conversion button to define how your file identifies an Invoice or a Credit Note.

When you press the conversion button you will see this screen:

This field is case sensitive so needs to match what is in your spreadsheet. This field is limited to fourteen characters

For Example: - if your document type in the spreadsheet is INVOICE in capital letters this needs to be exactly the same in Client Online. Other examples may include

- SI = invoice
- SC = credit note
- S/I = invoice
- S/C = credit note

#### • Date

Use the drop down menu to specify the Date format you use.

#### • Reference

Invoice or credit note number

#### • Order Number

Not mandatory

- **Total amount (this amount is the total for the invoice including VAT)**

Use the drop down menu to select the number format you use for the amount column.

There are two options:

1. If you have NOT defined the document in the Document Type field (i.e. you have selected "Not Used") your total amount format will always be – (negative).
2. If you have defined the document in the Document Type field your total amount format will always be + (positive).

You will need to select the format from the drop down menu that matches your file.

Any unused fields should be selected as "not used" from the drop down menu as they will be ignored by Client Online and not uploaded.

Click on **OK** to continue.

Validation in Progress	Bibby Financial Services are processing the batch
Batch Contains Errors	Bibby Financial Services have found errors during processing and need to reject. Please call your daily contact to discuss why the batch has errors.
Batch Waiting to be Posted	The batch is waiting to be processed by Bibby Financial Services
Fully Posted	The batch has been fully processed and posted
Batch Cancelled	This batch has been cancelled

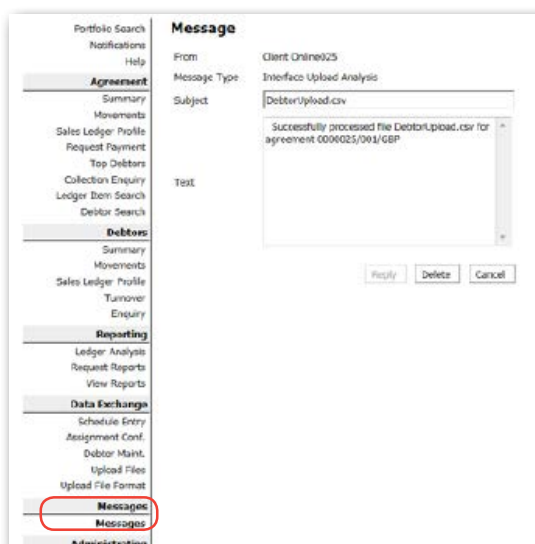

# Messages

The Messages field has been enabled in order to communicate to you the status of schedule uploads. If your schedule does not appear in the Assignment Conf menu option, check your messages.

The messages will tell you if:

- Client Online has received the upload
- The upload has been successful or unsuccessful
- If unsuccessful, what is wrong with the CSV file

Whenever you upload a schedule you will receive this acknowledgement message:

## Passed Validation

If successful you will receive a schedule validation message that quotes the name of the CSV file that has been uploaded:

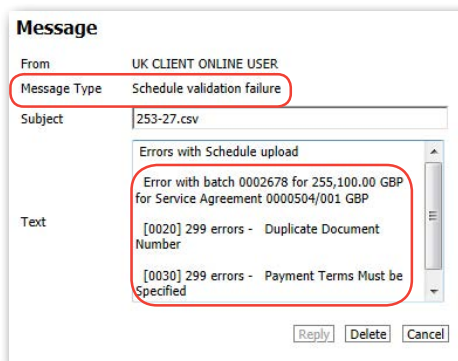

## Not Passed Validation

If a schedule is posted with information within it that does not include the required criteria, you will be informed of the error through the Messages function.

Most error messages will direct you to the exact document number within the CSV file that the error took place.

In the example below, you can see there is:

- A duplicate document number
- Payment Terms are missing.

# Schedule Assignment Reports

Please note that for Clients based in Scotland there is a requirement to complete and return a Schedule Assignment Report.

When uploading a schedule in Client Online, you will need to generate a Schedule Assignment Report. Once generated you will be able to sign and send on to Bibby financial Services together with any other supporting documents (invoices, POD's timesheets etc.) required under your Invoice Finance agreement with us.

We will need the Schedule Assignment Report to be emailed to us before we process your invoices for funding.

# Reports

Client Online provides you with the facility to produce a range of reports about your account and debtors.

There is a comprehensive range of reports available to you, which you can run as and when you need them. There is also a set of central reports which are processed on your behalf on a monthly basis; which includes;

- Monthly Client Statement – emailed to your nominated address on the first working day of each calendar month
- Impending Disapprovals – emailed to your nominated address on the 16th day of each month

The menu shows a separate Reporting section which contains;

- **REQUEST REPORTS** – select the report(s) to be generated, entering any required parameters.
- **VIEW REPORTS** – to view the requested reports, once they are completed. You will also use this menu option to view the centrally produced reports.

## Request Reports

- 1 Click on **REQUEST REPORTS** from the menu.
- 2 A list of the reports currently available for you to run is displayed.

You can select from either;

- Agreement Reports – about your overall Finance Agreement.
- Debtor Reports – are about your debtor ledger.

The parameters are different for each group of reports, so you will only be able to select reports from one group at a time.

# Administrator Tasks

## About your login

You will receive your Client Online login details, which will consist of your User name and Password. These will be sent to you separately and should be kept secure.

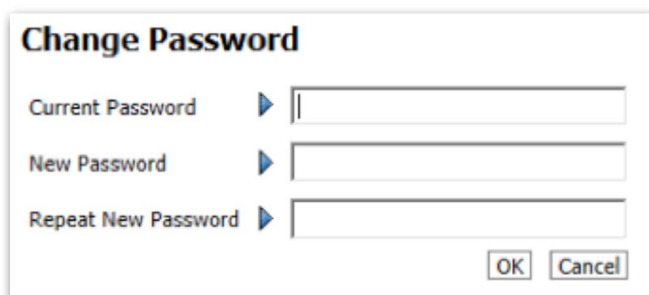

This login provides you with access to all of the available functionality within Client Online.

The Administration section of the menu provides you with the ability to change your password

## Change Password

Use the Change Password option to change your password.

The screen follows the standard process of entering your current password before entering and confirming your new password.

A screenshot of a 'Change Password' dialog box. It has a title bar 'Change Password'. Inside, there are three input fields: 'Current Password', 'New Password', and 'Repeat New Password'. Each field has a small blue arrow icon to its left. At the bottom right, there are two buttons: 'OK' and 'Cancel'.

Some points to consider when changing your password are:

- Passwords will be forced to change every 90 days and you will get 5 days' notice that your password will need to be changed.
- Password must be between 8 and 10 digits inclusively, and contain the following:
  - At least one upper case character.
  - At least one number.
  - At least one "special" character (e.g. @\$%^&\*()\_+|-~=\`{}[]:~';'<>/ etc.)
- Passwords must not contain any of the following:
  - The word 'password' or any derivative thereof (i.e. Password, Passw0rd, Pa55word etc.)
  - User names, dates of birth or anything that can be associated with the user.
  - The word 'Bibby' or any derivative thereof (Bibby1234, Bibby2012 etc.)
  - User car registrations.
- You cannot reuse an old password.

# Resetting your password

There are times when you will be unable to login to your account. e.g. You have forgotten your password, or your account is locked. Your account will automatically become locked when you have three failed login attempts.

When this happens, you will be able to reset your password by contacting the Client Online help desk to ask for a password reset or account unlock.

## Set Home Page

You can control the page that is displayed as your home page.

The preferred homepage is the Welcome page, as this is where your key messages and notifications are displayed.

If you want to change your home page;

- 1 Select **SET HOME PAGE** from the menu.
- 2 The current home page is marked with an asterisk.
- 3 Double click on another page to set it as your new home page.

### Security Maintenance - Set Home Page

Select the page to be the default page when logging in. Level 2 pages (pages that require an Agreement to be selected) will only be displayed if the user has a single portfolio and the auto portfolio selection feature has been enabled.
