Introduction

Welcome to your introduction to Client Online

Client Online is the web based application which enables you to view and manage your facility with Bibby Financial Services.

Client Online enables you to:

- View your facility details including available funds
- Submit invoices and credit notes
- View details of payments received from your debtors
- Request a payment of funds to your nominated account
- View a range of information about your debtors
- Produce a range of reports about your facility

In this User Guide, we take you through how to use Client Online to carry out your facility management tasks and activities.

If you have any questions

- Any queries you may have regarding your account, or the services provided by Bibby Financial Services will continue to be handled by your dedicated Client Services Manager.
- For FAQs, and other useful resources and important news, refer to our website.

www.bibbyclient.com

- Technical support for the Client Online system is available between 8:00am and 6:00pm for queries such as;
 - How to use Client Online
 - Issues accessing Client Online
 - Problems with the Client Online System

Call: 0800 7830314

Email: support@bibbyclient.com

Logging In

Client Online is a Web based application, and you will be provided with a link to bibbyclient.com to access it.

You will receive your Client Online login details, which will consist of your User name and Password. These will be sent to you separately and should be kept secure.

- 1 When you click on the URL, the Client Online login page is displayed.

- 2 Enter your User Name as it is detailed in your correspondence.
- 3 Enter your password as it is detailed in your correspondence. Please note that your password is case sensitive
- 4 Click on **Submit**.

Note

- Use the **Clear** button to clear all text entered so far in the Username and Password fields.
- Use the **Contact** button to send an email for queries about logging on to Client Online.

First time login - changing your password

The first time you log in to Client Online, you will be required to change the password allocated to you.

You must re-enter the allocated password before entering your new password, clicking on OK to continue.

Full details of password requirements can be found in the *Administration* section of this guide.

Welcome Screen

When you have successfully logged in, your Welcome page is displayed.

- Key messages and notifications will be listed here for items such as system maintenance, changes to Bibby Financial Services opening hours, news items etc

This initial welcome page displays notifications in the main part of the screen, and a menu on the left.

If you have a single Agreement with Bibby Financial Services, you will be able to navigate using the menu on the left side of the screen.

- 1 If you have more than one Agreement, the next step is to select the required agreement, and to do this you will use the **Portfolio Search** option.
- 2 When you click on **Portfolio Search**, the individual accounts that make up your agreement with Bibby Financial Services will be listed in the main part of the screen.

Where you have multiple accounts, or lines, that make up your agreement, then all lines will be listed here for your selection.

Navigation

All screens within Client Online follow a standard layout;

The screenshot shows the 'Ledger Item Search' interface. On the left is a navigation menu with sections: Agreement, Debtors, Reporting, and Data Exchange. The 'Ledger Item Search' section is highlighted. The main area contains search criteria fields: Debtor Name, Debtor Number, Client's Debtor Reference, Document Reference, Item Reference, Debtor Currency (GBP, Pound Sterling), Value Range (From/To), and three date ranges (Invoke Date Range, Due Date Range, Closed Date Range) with radio buttons for 'Open Items', 'Closed Items', and 'Both'. There are 'Search' and 'Clear' buttons at the bottom.

Callout boxes:

- Top Left:** The menu will always be displayed on the left
- Top Center:** The screen name is displayed in bold at the top of the screen
- Top Right:** Boxes are used for fields where you can enter text such as when searching
- Bottom Left:** Radio buttons are used when you can make a selection and only one item can be selected. Clicking on the circle adds a black dot to show your selection. A
- Bottom Center:** A box with an arrow button provides you with a drop down menu to select from.
- Bottom Right:** A Calendar icon is displayed for date fields. You can use the icon to select the date required from a calendar pop up.

Mandatory Fields – are highlighted with a blue arrow. Any fields showing this blue arrow must be completed in order to progress.

The screenshot shows the 'Schedule Header Entry' screen. Under the 'Batch Header Details' section, there are two fields: 'Batch Type' and 'Batch Currency'. Both fields have a blue arrow pointing to them, indicating they are mandatory. The 'Batch Currency' field is set to 'GBP' and 'Pound Sterling'.

Checkboxes – these are used on some screens to enable you to select items. You click on the checkbox to select the item. Checkboxes enable you to select multiple items at the same time.

Interface Type	Format Name	Descrip
<input type="checkbox"/> Debtor upload	UK_Debtor_Upload	UK Debt
<input checked="" type="checkbox"/> Schedules	UK_Schedules	UK Sche

Using a Wildcard when searching

Client Online provides you with the ability to use a wildcard when searching for items.

The * can be used to replace characters when entering search parameters

For example

- 912* - would find all items starting with 912
- AB* - would find all items starting with AB, such ABC
- *912 - would find all items ending with 912

Viewing Your Trade Finance Account

Viewing your Trade Liabilities

Your Trade Liabilities are split into Contingent and Actual Liabilities

Contingent Liability is the sum of your undrawn Letters of Credit or Supplier Undertakings. Actual Liability is the sum of direct payments made to your suppliers.

To view these click on the Portfolio Search within the main menu. This will display all funding lines you have with Bibby Financial Services.

Looking at your Debtors

You use the Debtor Search menu option within the Agreement section of the menu to locate the Debtor you want to view.

Once you have found your Debtor, you can view a range of information specific to the debtor, such as Movements, Turnover, or Transactions.

Debtor Search

One of your most common searches is to search for your debtor by name, but you can also search by debtor number, postcode, and debtor reference.

- 1 Click on the **Debtor Search** menu option.

The screenshot shows a web form titled "Debtor Account Search". It contains several input fields: Debtor Name, Debtor Number, Client's Debtor Reference, Address Line 1, City, and PostCode. A "Search" button is located at the bottom left of the form.

- 2 Enter your search criteria, for example Debtor Name, and click on **Search**.

You cannot retrieve all debtors in this search by leaving all fields blank; you must enter at least one search parameter.

- 3 Any matches to your criteria will be listed.

The screenshot shows a table titled "Debtor Account Search" with two columns: "Debtor Ref." and "Name and address". The table contains five rows of data.

Debtor Ref.	Name and address
0000024/001 GBP-0000000009/001 GBP (XYZ789)	Debtor Five Derby Derby DE1 2 QD
0000024/001 GBP-0000000007/001 GBP (XYZ123)	Debtor Four Address One Leicester LE2 4QD
0000024/001 GBP-0000000011/001 GBP (ABC123)	Debtor One Address One Birmingham B1 2DY

0000024/001 GBP-0000000030/001 GBP (CUSTOMER1)	Debtor Two 1 Frances Way Leicester LE2 4QD

- 4 Click on the debtor required.

Debtors – Summary

- 1 When you select the Debtor, a Debtor Account Summary screen is displayed to give you a detailed view of the Debtor you selected.

- The Debtor Summary gives you the key information about this particular customer of yours, including address and contact details.
- The Balances tab shows current values relating to the debtors Sales Ledger.
- The Limits tab shows information about the current Credit Limits and High Involvement %.
- The Payments tab shows information regarding recent payments received from this debtor and payment statistics about their account.
- You can return to this view at any time by clicking on **Summary** in the Debtors section.

The Debtors Menu

Once your Debtor details are displayed, the menu expands to include an additional Debtors section.

The **Debtors** menu options enable you to view a range of information about this specific Debtor.

Debtors – Movements

The Movements option will show you details of all invoices issued and payments received for the debtor in the period you specify.

- 1 With your debtor still displayed, click on **Movements** in the Debtors section of the menu.

2 The Debtor Account Movement Enquiry is displayed with the Last 30 days selected by default.

Enter your invoices

You use the Data Exchange section of the menu to submit invoices to Bibby Financial Services for processing and inclusion in your account.

There are two ways of entering your invoices and credit notes for processing and funding. These are:

- **Manual Entry**

Using this method, you enter the details of each invoice or credit note batch separately into the Schedule Entry Screen.

- **Automated Entry**

Using this method, you upload your invoice and credit note schedule from an external source, such as an accounting package extract or spreadsheet via a csv file.

Important:

The option to manually add schedules on the Trade Facility will be available but must not be used. If a schedule is added on the Trade Facility line, this will be cancelled by Bibby Financial Services and will need to be added through your Trade Factoring lines.

Manual Entry

There is a process to follow when submitting your invoices and credit notes to Bibby Financial Services.

It is a simple process to follow, with only one key thing to remember; you must create your Debtors first before attempting to enter an invoice for them. This is because you need to be able to pick the Debtor from a list when you are entering the invoices. New debtors will be reviewed and approved by Bibby Financial Services in preparation for you to load invoices to the debtors account.

We will look at each step in turn.

Add your Debtors

Whichever method you choose to use to submit your invoices, you will need to add the details of your Debtor first.

Once you have added the Debtor details, you will be able to submit invoices for that Debtor.

Important:

The option to add your debtor's on the Trade Facility will be available but must not be used, this will need to be added through your trade factoring lines.

- 4 Click on **Delete** if you want to completely remove the debtor record from the list
- 5 You cannot edit or delete a debtor record once it has been approved.

Enter your invoices

You will use the **Schedule Entry** menu option to manually enter your invoices and credit notes and these should be entered separately. Each batch will be able to hold a maximum of 300 items. Once you enter and submit your batch, it is processed and added to your Agreement account.

- 1 Click on the **Schedule Entry** menu option in the Data Exchange section.
- 2 The Schedule Header Entry screen is displayed; you start by entering the Batch Header Details.
- 3 Select the **Batch Type** – Invoice or Credit Notes.

Invoices and Credit Notes must be entered separately for processing and you use the Batch Type drop down to select the appropriate type for this batch.

- 4 **Batch Currency** – select the currency to be used for this batch using the drop down list.
The default currency is GBP. The drop down list will show the other currencies available to you.
- 5 **Schedule Reference** – enter your reference name for this schedule, or batch. This is defined by you, and can be a combination of numbers and text, to meet your requirements.

- 1 A Notice of Assignment clause will be displayed. This asks you to confirm that you are legally assigning the debts to Bibby Financial Services as per the terms of your Invoice Finance Agreement with us.

Pursuant to the terms of the Invoice Finance Agreement (may be known as Factoring Agreement or Invoice Discounting Agreement) between You and Us (including the conditions currently in effect) We, ABC Limited, Hereby assign to You the Debts evidenced by the invoices detailed in this Debt Schedule (may be known as Invoice Schedule) or in any attachments to it. We confirm that We have complied with all Our Promises in the Invoice Finance Agreement between us for You to buy Our Debts. The Transaction (if any) under which each Debt arises and Our obligations relating to such Debt have been fully carried out. Where applicable, we also Notify you of the Credit notes detailed in the Credit Note Schedule. Unless agreed by exception, a copy of each invoice, credit note and such other documents as are required by You under the terms of the Invoice Finance Agreement are attached. If our Invoice Finance Agreement makes specific reference to Scottish Debts, We intimate to You that all Debts included in this Debt Schedule which are Scottish Debts now form part of the property of the trust constituted in the Invoice Finance Agreement Particulars or Conditions in accordance with the terms of that trust.

- 2 Add a tick to the check box to confirm the file complies with the Notice of Assignment.
- 3 Click on **Submit Batch**.

The Assignment Schedule Confirmation is displayed.

Assignment Schedule Confirmation

An Assignment Schedule has been created on the system as follows:

Batch Number	0000131
Batch Type	Invoice
Batch Amount	4,234.95 GBP

This confirms that your batch has been submitted.

If at any point while manually entering your schedules you come away from the relevant screen for any reason, Client Online will remember what details you have already entered, allowing you to continue on from where you left off.

What happens next

Once the batch is submitted and is received by Bibby Financial Services it will go through the approval process. Please note the cut off time for schedule uploads is 10.00am to enable the approval process to be undertaken for same day funding.

Should you have any queries you can contact your daily contact.

Automated Schedule Upload

The automated process of submitting your debtors, invoices and credit notes to Bibby Financial Services enables you to use csv files from your Accounting Package or spreadsheets such as Excel.

It is a simple process to follow, with only one key thing to remember; **you must create your Debtors first before attempting to enter an item for them.** This is because you need to be able to specify the debtor by entering the CUSTOMER ID within the CSV file.

New debtors will be reviewed and approved by Bibby Financial Services in preparation for you to load invoices to the debtors account.

We will look at each step in turn

Upload file format

You can use your current data file extracts or spreadsheet saved as a csv file to record your invoices/credit notes

The Upload File Format option is used to tell Client Online which columns in your file contain the key information that is needed to upload the invoices./credit notes.

Important:

Please note the following steps should be taken when undertaking your **first** upload only:

- Configure the "Upload File Format"
- Upload the file via "Upload Files"
- Check "Assignment Confirmation"; there will be three options:
 - 1 Assignment Confirmation is empty – Check Messages for details of any batch errors.
 - 2 Assignment Confirmation: "Batch Contains Errors" – Check Messages for details of any batch errors.
 - 3 Assignment Confirmation: "Batch Waiting to be Posted" – the schedule is correct and will be posted at the next cut off time as normal

A Sage export will look similar to the example below.

You will use the Upload File format to tell Client Online how many columns your file has, and which column the required information is in e.g. the Customer ID.

If Row 1 contains headings it should be removed from the csv prior to upload.

1	Customer ID	Document Ref	Document Date	Document Type	Contact Name	Net Value	Vat	Gross Value	Order No

Select **Upload File Format** from the menu.

Select the interface you want to define; Debtors or Schedules.

In this example, we will define the format of our schedule file.

Click on **OK**.

The screen updates to show the column count.

Column Count - Enter the number of columns you have in your data file/Excel spreadsheet.

Client Online requires a minimum of 4 of fields to be completed for schedule upload.

You enter the total number of columns you have in your file.

Click on **OK** to continue.

The number of columns you have defined will be converted to fields and the screen will update to display one field for each column.

Use the drop down list to define which column the Client Online required information can be found.

The required fields are:

(Please note the fields do not need to be completed in this order. The fields need to match the order of the titles in your CSV file)

- **Customer ID**
- **Document Type** – there are two options when defining your document type:

A. If your invoices are shown as a positive figure in the spreadsheet and credit notes as a negative figure then you do not need to specify Document Type. If you do have a column in your CSV specifying whether the document is either a credit note or invoice, you need to instruct Client Online not to use this information by selecting "Not used" from the drop down list.

B. However, if you don't show credit notes as a negative figure in the spreadsheet you will need to input the document type as this will advise the system if you are uploading a credit note or an invoice. Please select Document Type from the drop down menu.

You will then need to use the Conversion button to define how your file identifies an Invoice or a Credit Note.

Pursuant to the terms of the Invoice Finance Agreement (may be known as Factoring Agreement or Invoice Discounting Agreement) between You and Us (including the conditions currently in effect) We, ABC Limited, Hereby assign to You the Debts evidenced by the invoices detailed in this Debt Schedule (may be known as Invoice Schedule) or in any attachments to it. We confirm that We have complied with all Our Promises in the Invoice Finance Agreement between us for You to buy Our Debts. The Transaction (if any) under which each Debtor arises and Our obligations relating to such Debt have been fully carried out. Where applicable, we also Notify you of the Credit notes detailed in the Credit Note Schedule. Unless agreed by exception, a copy of each invoice, credit note and such other documents as are required by You under the terms of the Invoice Finance Agreement are attached. If our Invoice Finance Agreement makes specific reference to Scottish Debts, We intimate to You that all Debts included in this Debt Schedule which are Scottish Debts now form part of the property of the trust constituted in the Invoice Finance Agreement Particulars or Conditions in accordance with the terms of that trust.

Messages

The Messages field has been enabled in order to communicate to you the status of schedule uploads.

If your schedule does not appear in the Assignment Conf menu option, check your messages.

The messages will tell you if:

- Client Online has received the upload
- The upload has been successful or unsuccessful
- If unsuccessful, what is wrong with the CSV file

Whenever you upload a schedule you will receive this acknowledgement message:

Passed Validation

If successful you will receive a schedule validation message quotes the name of the CSV file that has been uploaded:

Not Passed Validation

If a schedule is posted with information within it that does not meet the required criteria, you will be informed of the error through Messages function.

Most error messages will direct you to the exact document number within the CSV file that the error took place.

In the example below, you can see there is:

- A duplicate document number
- Payment Terms are missing.

Schedule Assignment Reports

Please note that for Clients based in Scotland there is a requirement to complete and return a Schedule Assignment Report.

When uploading a schedule in Client Online, you will need to generate a Schedule Assignment Report. Once generated you will be able to sign and send on to Bibby financial Services together with any other supporting documents (invoices, POD's timesheets etc.) required under your Invoice Finance agreement with us.

We will need the Schedule Assignment Report to be emailed to us before we process your invoices for funding.

Reports

Client Online provides you with the facility to produce a range of reports about your account and debtors.

There is a comprehensive range of reports available to you, which you can run as and when you need them. There is also a set of central reports which are processed on your behalf on a monthly basis; which includes;

- Monthly Client Statement – emailed to your nominated address on the first working day of each calendar month
- Impending Disapprovals – emailed to your nominated address on the 16th day of each month

The menu shows a separate Reporting section which contains;

- **Request Reports** – select the report(s) to be generated, entering any required parameters.
- **View Reports** – to view the requested reports, once they are completed. You will also use this menu option to view the centrally produced reports.

Request Reports

- 1 Click on **Request Reports** from the menu.

The screenshot shows a web interface titled "Request Reports". It is divided into two main sections: "Agreement Reports" and "Debtor Reports". Each section has a "Report Name" header and a list of reports with checkboxes. Under "Agreement Reports", the reports are: UK Client Statement, UK Cash Received Report, UK Aged Analysis Summary, UK Aged Analysis Item Detail, UK Impending Disapprovals, UK Availability Movement Report, and UK Monthly Transactions. A "Continue" button is located below the list. The "Debtor Reports" section also has a "Report Name" header and a "Continue" button below it.

- 2 A list of the reports currently available for you to run is displayed. You can select from either;
 - Agreement Reports – about your overall Invoice Finance Agreement
 - Debtor Reports – are about your debtor ledger.The parameters are different for each group of reports, so you will only be able to select reports from one group at a time.

- 3 Click on the checkbox to add a tick to the report or reports you want to request.
You can select just one report, multiple reports or all reports in the group, based on your requirements.
- 4 Click on **Continue**.
- 5 The Report Parameters will be displayed.
- 6 The parameters to be completed will vary based on the report group selected, complete the required fields on the screen.

Some points to consider when changing your password are:

- Passwords will be forced to change every 90 days and you will get 5 days' notice that your password will need to be changed.
- Password must be between 8 and 10 digits inclusively, and contain the following:
 - At least one upper case character
 - At least one number
 - At least one "special" character (e.g. @#\$%^&*()_+|~-=\`{}[]:~<>/ etc.)
- Passwords must not contain any of the following:
 - The word 'password' or any derivative thereof (i.e. Password, PasswOrd, Pa55word etc.)
 - User names, dates of birth or anything that can be associated with the user
 - The word 'Bibby' or any derivative thereof (Bibby1234, Bibby2012 etc.)
 - User car registrations
- You cannot reuse an old password.

Resetting your password

There are times when you will be unable to login to your account. e.g. You have forgotten your password, or your account is locked. Your account will automatically become locked when you have three failed login attempts.

When this happens, you will be able to reset your password by contacting the Client Online help desk to ask for a password reset or account unlock.

Set Home Page

You can control the page that is displayed as your home page.

The preferred homepage is the Welcome page, as this is where your key messages and notifications are displayed.

If you want to change your home page;

- 1 Select **Set Home page** from the menu.
- 2 The current home page is marked with an asterisk.
- 3 Double click on another page to set it as your new home page.
