

Foreign Exchange

Making overseas transactions easier

How can Foreign Exchange help your business?

Protecting your business against market volatility has never been more important. Ensuring overseas transactions are cost efficient is vital to the profitability of their business.

Our Foreign Exchange service offers competitive rates and enables international payments with minimum effort, whether you have an immediate trading need or want to lock in a rate for a future date.

What are the key benefits?

Typically no fees on payments, with a highly competitive exchange rate

Access to a dedicated Foreign Exchange Dealer, plus 24/7 trading via our portal

We trade in all major and minor currencies, and some niche ones

Ability to convert funds and transfer to end recipients on the same day

No deposits required for booking in Forward Contracts*

Flexibility to use our FX services stand alone or combined with Invoice Finance to unlock cash and exchange currency, all in one place

*Subject to credit assessment fails we ask for a 10% deposit on the amount to be booked.
